

A **thematic map** uses dots, lines, or other conventional symbols to show the spatial pattern of a single topic. The theme of this map is Islam.

1. Circle Iran's rank on the list of countries with the most Muslims: 2nd 4th tied for 7th
2. Why aren't there more Muslims in the area marked A on the map above?
3. Why aren't there more Muslims in the area marked B on the map above?
4. Do you think all of the Muslims in Europe are at the location of the dot? Why or why not?
5. Are there any Muslims in the general area around C on the map? How do you know?
6. How would you show the locations of the Muslims in the Western Hemisphere?
